LED heat indicator shows when your desired water temperature level is reached.

ComfortFlow™ 500 Water Heater

EWE241KX-DWB6 (Product Dimension (L x W x H) - 220mm x 401mm x 90mm)

Features

- 100% more stable water temperature
- SafeReady® by testing electronics before use.
- Ease of installation with 4-way power inlets
- 15 advanced safety features
- Stylish and slim Scandinavian design
- Big high-quality nylon tank with 10 years warranty

Technical Specifications

- Connection: 1/2" BSP Single-point system
- Rated Power: 2,400W
- Voltage: 220V/ 50Hz
- Weight: 1.50 kgs
- Base Color: White
- Button/Ring: SkyBlue

ComfortFlow™ 700 Water Heater

EWE241LX-DBX2 (Product Dimension (L x W x H) - 220mm x 401mm x 90mm)

Features

- 100% more stable water temperature
- LED heat indicator
- SafeReady® by testing electronics before use.
- 15 advanced safety features
- Ease of installation with 4-way power inlets
- 5-step shower head
- Big high-quality nylon tank with 10 years warranty

Technical Specifications

- Connection: 1/2" BSP Single-point system
- Rated Power: 2,400W
- Voltage: 220V/ 50Hz
- Weight: 1.50 kgs
- Base Color: SkyBlue

ComfortFlow™ 800 Water Heater

EWE241MX-DST2 (Product Dimension (L x W x H) - 220mm x 401mm x 80mm)

Features

- 100% more stable water temperature
- Dynamic Power Control optimizes temperature
- Smart touch screen for easy adjustment
- SafeReady® by testing electronics before use.
- EcoShower saves electricity when heater is not in use
- 15 advanced safety features
- Anti-bacteria 5-step shower head
- Big high-quality nylon tank with 10 years warranty

Technical Specifications

- Connection: 1/2" BSP Single-point system
- Rated Power: 2,400W
- Voltage: 220V/ 50Hz
- Weight: 1.50 kgs
- Base Color: Metallic
